Objektbeschreibung

The house is located on an elevated hillside above the village with beautiful views over San Sebastian and the sea.

It consists of two floors and is part of a house complex of 3 terraced houses.

It is located in a quiet area. Access to the house is via a pedestrian street of about 50 m from the street.

Features

On the ground floor is the living room with open kitchen and a toilet. Here is also the entrance of the house.

On the upper floor there are two bedrooms and the fully equipped bathroom with shower. One is equipped with a double bed and the other with a single bed.

The house is fully furnished and equipped and shall be handed over as is.

Sonstiges

The house can also be rented out for tourism. The terraced house right next door is also for sale. Object "W2218 Duplex A". Both houses can also be purchased together.

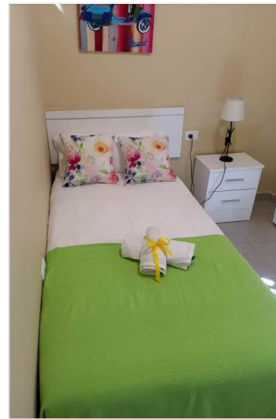

Location

In San Sebastian de La Gomera, on a hillside overlooking the town.
